How Can You Spend STABLE funds?

- Withdrawals must be used on “Qualified Disability Expenses”
 - Anything that (1) relates to your disability and (2) helps to maintain or improve your health, independence, or quality of life

Examples:

- Basic Living Expenses
- Housing
- Assistive technology and related services
- Medical Bills
- Health, Prevention and Wellness
- Employment Training and Support
- Legal Fees
- Education
- Financial management and administrative services
- Transportation
- Funeral and burial
- Expenses for ABLE account oversight and monitoring

Non-Qualified Expenditures

- Not illegal, but there are consequences

Affects Benefits

- The amount of the expenditure *may* now be considered a countable resource (but not necessarily)

Tax Penalties

- Pay taxes plus 10% penalty on the earnings portion of the withdrawal

Spending From Your Account

Withdrawals

- Transfer to personal checking or savings
- Third Party Check
- Transfer to STABLE Card
- Free + No Limits
- STABLE Kentucky will not ask what you spend on, but benefits agencies and IRS can

STABLE Card

- Loadable debit card
- Does not pull from account
- Online spending records + notate expenses
- No commingling of funds with other accounts
- Protection – limiting of merchants, no cash access, no overdraft
- Text alerts to monitor spending, low balances

SSI Considerations

- Balances over \$100,000 count as a resource – but SSI merely suspended, not terminated
 - *(Your account balance will not affect Medicaid benefits, though, regardless of the amount)*
- Beneficiary's own wages still count as income even if contributed to Kentucky STABLE Account
- If you hold on to the money from one calendar month to the next, then housing expenditures and non-qualified expenditures count as resources

If Account Holder Passes Away

- Account will pass to the account holder's estate
 - The estate administrator notifies STABLE and can take over account access
 - No designated transfer upon death
 - Account will go through normal probate process
- If Beneficiary was on Medicaid, Medicaid can ask for payback in some cases. BUT! Medicaid does not get first bite at the apple. The estate can first:
 - Pay any outstanding bills for QDEs
 - Pay for funeral and burial expenses
 - Deduct Medicaid Buy-In premiums you paid
- Medicaid Payback is only from date the account was opened
- Money in a STABLE account is better protected from Medicaid payback than money in other bank accounts

STABLE vs. Special Needs Trust

- Complement, not competition, but...
- Some benefits specific to STABLE Accounts:
 - Cost-Effective
 - Broader spending power (i.e. housing)
 - Easy account access/closure
 - No federal income tax on earnings
 - No separate returns to file
 - Can be established, administered, and owned by individual with disability
